**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Dominion Energy

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I am protesting the said rate increase that Dominion Energy is proposing. There is no reason for customers to have to pay more for energy provided by Dominion when I have no choice as to who provides my service to my home. We are in the mist of something no one could have ever imagined and countless people are short on income so why should a giant corporation like Dominion have to add to the finical burden millions of people are feeling

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***

If my apperance will help in the case to stop this rate hike from passing then yes I will offer my testimony
